

DIVISION OF ENGINEERING

MEMORANDUM

2012-07

FROM: Michael Powley, County Engineer

DATE: January 25, 2012

SUBJECT: Oleander Avenue and Sunrise Boulevard
FDOT Construction Project

The Florida Department of Transportation is constructing drainage and pedestrian improvements along portions of Oleander Avenue and Sunrise Boulevard between Virginia Avenue and the Ohio Avenue traffic circle. The use of alternate routes is recommended.

Motorists should exercise caution and follow the detour signs. For further information please contact Steven Haines at 772-465-7396 Steven.Haines@dot.state.fl.us or log onto http://www.d4fdot.com/tcfdot/TC-Lucie_Oleander_Sunrise_29ST.asp
